The Board's regulations require electronic transmittal of course completion data to the Board office within **seven days** of the completion of each individual course.

Please note that a course that has been approved by the Board may not be substantially altered. If a change occurs that would modify the content or time allocations stated in the course outline or change any of the stated course topics, you must submit an application for approval of the new/revised course. Additionally, you are required to notify the Board of any changes in administrative information (i.e., name, location, instructor, fees, course material, etc.) and transmit your course schedule to the Board as classes are scheduled.
